ON-THE-JOB TRAINING GRANTS

**Missing a skill or two that you need to land your dream job?
Seneca County businesses can hire, train and upgrade the skills of workers that do not meet the minimum qualifications for a job using a grant from your local Workforce Development Office.**

To learn how to take advantage of this great program, please continue reading:

PROCESS

- **Contact Megan Slater at (315) 539-1732 or m Slater@co.seneca.ny.us to discuss your interests and to begin pre-screening.**
- We will help you identify career fields that qualify for training and employers that are interested in this grant.
- Candidates will go through an employer's normal interview process and if hired you will be a regular employee of the company.
- An employer can also request eligibility screening for anyone who applies directly to their business. If you have been pre-screened by Seneca County we can provide you with a letter stating that you are eligible for this program to provide to any employer that you apply to.
- Employers will be reimbursed for a portion of wages paid to trainees and you will be a regular employee; eligible for all benefits provided to non-OJT hires.

****PLEASE NOTE:** All paperwork must be completed prior to the trainee's first day of work. Please allow a minimum of 14 business days for paperwork processing and completion. ******

Would you like free training that will lead to a successful CAREER?

Seneca County currently has training funds available to those who are eligible.

Some of our approved programs include, *Certified Nursing Assistant (CNA), Commercial Driver's License (CDL), and Advanced Manufacturing. Get started today!*

WORKSHOPS:

Build Your Skills

Could you use help with computer basics or advanced topics in Microsoft Office (Word, Excel, PowerPoint, etc.)? Have you tried to use JobZone modules to help research different career options? Do online applications and ethics questionnaires frustrate you? LinkedIn questions? Join us in our PC lab and focus on the skills YOU want to improve. See more ideas on the Build Your Skills checklist.

Interviewing Techniques

You got the interview, now what do you do? Register for this session. Learn what employers really want to know. What questions you should be able to answer before going to a job interview. Be aware of the importance of making a good first impression. Learn techniques regarding arrival time, appearance, body language, preparation and attitude. Also included are how to effectively answer tough questions and to ask pertinent questions in an interview.

Mock Interview (By Appointment)

Do you suspect you could improve your interviewing if a career counselor could watch you interview for a job? Let us offer suggestions for improvement as you watch your recorded mock interview. We'll ask you to provide in advance a resume, if you have one.

Personal Skills for Success. A one day experience with lunch provided you will learn: What do employers want from me?? In this series, we touch on skills identified by regional businesses and industry leaders as critical to quality employees, skills they look for when hiring.

1. Self-Awareness – Emotional IQ, learning to be more aware of and in charge of your feelings and emotions.
2. Communication – how using the right words for a situation makes a difference.
3. Employer Expectations–social media etiquette, professionalism in the workplace, enthusiasm and attitude, and creativity and problem solving.

Resume Session

This workshop is designed both for job seekers who have never had a resume and for those whose resume may be outdated. A resume is a summary of past experiences, skills, abilities, qualifications and personal characteristics. Your resume highlights your accomplishments so a potential employer can easily see the assets you would bring to the business. Review and revision are necessary in keeping your resume up to date and accurate. Please call for information and to reserve your seat in this class.

Small Business Development Center Appointments

Starting, running, or expanding a Seneca County business? Call in advance to set up an appointment with a NYS certified business advisor to discuss your idea.

Transferrable Skills

Transferrable Skills is a training tool for our customers to help you understand your strengths so you are able to apply them to your job search and educational opportunities. Our staff will be able to better assist you with your job search and job matching after the discovery of your transferrable skills! Our goal is to help you realize career and educational opportunities you never knew existed for yourself in the past and to help you feel more confident in your future endeavors! Limited space is available so please call for more information and for eligibility determinations.

WorkKeys

Employers want workers who can read, apply math, locate information, and demonstrate "soft" skills. WorkKeys tests reading, math and locating information, which could qualify you for a Career Readiness Credential. This credential will assist you in showing employers you are a qualified candidate.
