Lifetime Assistance, Inc. – Live-In Caregiver opportunity

Exciting opportunity to share a home and life with people who have developmental disabilities!

Among its many programs, Lifetime Assistance, Inc. offers a family care program in which individuals live at home and receive direct care services from compassionate people hired by the individuals and/or their families. In connection with that program, two people are being sought to be live-in caregivers for two ladies who have developmental disabilities.

Prior experience working with people who have developmental disabilities is preferred.

In exchange for providing support and assistance, the caregivers will receive a monthly stipend, a place to live (including a separate bedroom, living room and bathroom), use of a vehicle for transportation for the ladies, and 20 hours of weekly staff assistance. Due to the intimate nature of the services to be provided, which include helping the ladies with personal hygiene including showering, bathing, dressing and brushing teeth, as well as the fact that the caregivers will be sharing a bedroom, the family is seeking a couple with a close relationship (e.g., mother-daughter, siblings, spouses) and in which at least one person is a female. Interested applicants **MUST** have an income source, and be able to support themselves. If employed currently, the hours cannot be a second shift or overnight. Additional responsibilities will include supporting the ladies as they participate in community activities, administering medications, using a variety of communication techniques, assisting with making and transporting to medical appointments, if needed. The live-in caregivers would be certified as Family Care providers and would be provided initial and on-going annual training at no cost as well as on-going support from a dedicated team. *If you are interested in this opportunity, or know of anyone (family, friends, or co-workers) who might be interested, please contact **Maria Rugg at Lifetime Assistance (784-3059) for more information***
