Test Technician – Thomas Electronics

SUMMARY DESCRIPTION: The test technician conducts, tests and completes data collection activities of assigned products, related equipment and component systems with the goal of making sure products meet quality standards, customer specs and function properly. A test technician will also be responsible working with operators and assemblers on product issues while working towards resolutions to prevent reoccurrence. This position may also be responsible for assisting with other various electronic equipment repair and trouble shooting assignments.

COMPETENCIES: Strong computer skills, technical capacity, problem solving and analysis skills, detail oriented, ability to work independently and as a team player, organized and able to handle multiple written and verbal instructions.

RECOMMENDED EDUCATION/SKILLS: Associates Degree in Engineering Technology or related field or Technician Certification from an accredited college or organization

RECOMMENDED EXPERIENCE: Two (2) plus years experience in testing processes using electronic test equipment and related equipment, electronics experience, preferably in a manufacturing experience

PHYSICAL DEMANDS: While performing assigned duties, the employee is regularly required to stand, use hands and fingers, handle, or feel objects, tools, or controls, as well as to walk, and reach with hands and arms. The employee is frequently required to stoop, kneel, crouch, or crawl. The employee is occasionally required to sit, and frequently communicate and receive instructions verbally and in writing. This position will require frequently lifting up to 50 pound. The position will occasionally lift and/or move up to 100 pounds with assistance.

EEO/ADA: *Thomas Electronics, Inc. is committed to equal opportunity for all, without regard to race, religion, color, national origin, citizenship, sex, sexual orientation, gender identity, age, veteran status, disability, genetic information, or any other protected characteristic. Thomas Electronics, Inc. will make reasonable accommodations for known physical or mental limitations of otherwise qualified employees and applicants with disabilities unless the accommodation would impose an undue hardship on the operation of our business. If you are an applicant interested in applying for an employment opportunity, or an existing employee and feel you need a reasonable accommodation pursuant to the ADA, please contact us Human Resources at (315) 923-2051, Extension 209.*

Absolute Precision, LLC is looking for a responsible person to become part of our production team. This is an excellent opportunity to learn a skilled trade and have a career in advanced manufacturing. Experience is helpful but we will train the right person. We currently are working 40-50 hours per week. We only work one shift at this time.

Saw material. Fill out required paper work including inspection reports. Set up and operate CNC turning centers and machining centers. Use of precision measuring instruments such as micrometer and calipers. Inspect work pieces throughout the production run for out-of-tolerance machining. Keep the shop area and machines clean and organized.

Job Type: Full-time
Salary: \$14.00 to \$20.00 /hour
Experience: Machine Operator: 1 year (Preferred)

Located at 6205 Lake Ave, Wolcott, NY 14590 **E-Mail:** contact@absoluteprecisioninc.com
Phone: 315.594.2511 **Fax:** 315.594.2711

Night Warehouse worker with CDL A or B License

Empire Merchants North

Empire Merchants North is the premier wine and spirits distributor in Upstate New York with roots going back to the end of Prohibition. With more than 700 dedicated associates and state-of-the-art facilities, Empire Merchants North has become synonymous with both service and quality and has earned the loyalty of more than 9,000 area restaurants, bars, hotels, nightclubs, and retail outlets. Empire Merchants North acts as a marketing agent for the brands that we represent and is proud to employ the most knowledgeable and well-equipped sales force in Upstate New York.

We are seeking a **Night Warehouse Worker with CDL-A and Tandem / Doubles Driver experience** in our Lyons, NY facility.

- The employee will be trained and expected to learn the Fueling and Truck Jockeying duties. Position will act as a back-up tandem driver. Requires adherence to all DOT requirements. Perform a variety of warehouse/shipping duties requiring ability to lift 50+ lbs. repeatedly over a 10 hour shift. Use of 2 wheeled cart with up to 200lb loads necessary. **Work Shift is 7:30pm - 6am, Monday - Thursday.**

This position REQUIRES the following:

Must have a valid, clean NYS CDL-A driver's license with Tandem endorsement and safe driving history.

Must have a minimum of five (5) years of proveable experience driving tractor trailer combinations.

Must meet all NYS Thruway Longer Combination Vehicle(LCV) / Tandem driver requirements.

Must have a HS Diploma or GED.

Empire Merchants North encourages diversity in the workplace; we are an Equal Opportunity Employer.

Minority/Female/Sexual Orientation/Gender Identity/Disability/Veteran Applicants only, No Recruiters please.

PLEASE APPLY ONLINE AT <https://www.indeed.com/cmp/Empire-Merchants-North>

FACILITIES JANITOR

DESCRIPTION: General cleaning of buildings, Vacuum, sweep, and mop floors, Cleaning and stock restrooms, Clean up spills with appropriate equipment, Collect and dispose of trash, Keep cleaning supplies in stock, Notify supervisors or manager of repairs needed, Complete tasks in a timely manner with minimal supervision.

REQUIREMENTS:

Able to use basic cleaning equipment || Capability to manager your time efficiently || Integrity and ability to work independently || Ability to lift at least 25 pounds

ADMINISTRATIVE ASSISTANT

DESCRIPTION: This position supports a growing organization's mission, vision, and values by exhibiting the following behaviors: excellence and competence, collaboration, innovation, respect and accountability. Under the direct supervision of the Optical Coating Group Leader this position provides administrative and secretarial support for the Optical Coating Department. This position involves working with both internal and external customers at all levels of industry. Independent judgment will be required to plan, prioritize, and organize a diversified workload.

REQUIREMENTS: Ability to manage workload effectively- planning, organizing and prioritizing work to meet deadlines. Ability to demonstrate initiative working with minimal supervision. Ability to work independently and within a team environment. Ability to use PC for word processing, creating spreadsheets, databases and graphic applications at an intermediate level of proficiency, typing with speed and accuracy. Ability to communicate effectively, verbally and in writing, including effective customer service skills. Progressively responsible secretarial/administrative experience helpful.

QUALITY ASSURANCE METROLOGY TECHNICIAN : C- SHIFT 11PM to 7:30AM

DESCRIPTION: This position will inspect precision optical lenses for all types of equipment as well as other optical components to ensure standards have been met using measuring and testing equipment to record and manage test data process in compliance with quality control procedures

REQUIREMENTS:

Availability on off-shifts and occasional Saturday/ Sunday work hours || Ability to learn operation and maintenance of Interferometers, Surface Profilometer || Willingness to train other staff on the use of measurement equipment || Prioritize workload according to the department's tight schedule || Competent with Microsoft applications to document, interpret and record results || Able to assess complex issues and develop and implement appropriate solutions

EDUCATION: Associates Degree or vocational training in manufacturing, materials science or machining desired

TOOL CRIB ASSISTANT : B-SHIFT 3 pm to 11:30 pm

DESCRIPTION: Assists with all aspects of manufacturing tooling and test plates. Performs purchasing, inventory and stocking under the direction of Supply Crib Team Leader.

REQUIREMENTS:

Computer/ database skills || Extremely responsive, highly accountable, and solutions-focused || Ability to communicate and work effectively with all others in a team environment || High organized with the ability to multi-task || Knowledge of tooling and measurement equipment

EDUCATION: Precision machining experience a plus

CNC MACHINISTS : B-SHIFT AND C-SHIFT

DESCRIPTION: Setting up and operating machining tools, such as lathes, milling machines, both conventional and CNC. Fitting and assembling parts to fabricate tooling, fixturing, mechanisms, and machined for production. Fabricating any and all parts assigned by Machine Shop Cell Leader using a variety of mills, lathes, saws, drills and hand tools from machine shop stock (i.e. metal, wood, glass, etc.). May establish work procedures for fabricating new structural devices using variety of machine tools.

REQUIREMENTS: The candidate will be working in an off shift position upon successfully completing training schedule. Three or more years working as a machinist, preferred. CNC experience a must; Mastercam a plus.

PROCESS DEVELOPMENT TECHNICIAN

DESCRIPTION: Technician – Process Development: Find and teach a way to make what is just out of reach possible!

This position encourages those with high spatial skills to work as a part of a manufacturing team, performing existing processes firsthand. Employing a strong technical, analytical, and basic science background, solve manufacturing process problems and demonstrate measurable improvements before sharing the results with the team. By personally training others on the team while performing the new process, see to it the solutions are recorded (writing, video, etc.) and adopted as standard.

Start with optics manufacturing training before moving on to learning Optimax language and culture, transitioning to a B or C-shift team contribution next. Hours are 40+/week. Expectations in this role are higher, but so will reward. Given the opportunity to grow through internal support and tuition assistance for formal higher education and accreditation, Optimax technicians have the chance to take the position, their team, and themselves further.

Optimax makes optics for space missions, virtual reality, fusion power, and night vision. As a team, we move at high pace.

Education: High School Diploma or GED required, Associate Degree in mechanical engineering technology or engineering technology preferred

If you are a qualified candidate for any of the positions apply at <http://www.optimaxsi.com/careers/>

Game Stop in Newark is looking for Retail Staff
Apply online at <https://careers.gamestop.com/en-US/page/gsretail>

PLEASE NOTE: Your application will be considered for all positions within this store. Some positions may not be available in all locations.

Assistant Store Manager – will support the Store Manager in all facets of store operations including ensuring that the store staff provides friendly, open and enthusiastic customer service, in person and on the phone. This includes answering questions and assisting with product selection, purchases, and returns. Ensure that the store is clean, well-organized, and properly merchandised at all times, and that all policies, procedures, and controls are followed. Supervise up to 5 or more Game Advisors by planning, organizing, and delegating work.

Senior Game Advisor (Shift Leader) - will assist the store management team in supervising all store activities as well as providing friendly, open and enthusiastic service to customers, in person and on the phone, including answering questions and assisting with product selection, purchase, or return. Assist with store merchandising, inventory control, loss prevention, restocking, store cleaning and maintenance.

Game Advisor (Sales Associate) – provide outstanding customer service experience using elements of GameStop's buy, sell, trade, and reservation business model, The Circle of Life. Working under direct supervision, this position ensures customers are greeted on the sales floor, informed of trade, reservation and loyalty program benefits and thanked. Game Advisors also share product knowledge with customers, ensures products are easy to see and buy, processes customer transactions, and provides a clean, organized store environment in which to shop. The principal business outcome for this role is higher levels of overall store performance and customer satisfaction.

Entercom Account Managers call on local businesses within the Greater Rochester area and represent a portfolio of products including 5 of Rochester's top radio stations, Buffalo Bills and Sabres radio broadcasts, event and digital marketing programs. Radio stations include 92.5 WBEE, 98.9 The Buzz, 96.5 WCMF, 98 PXY and 95.7 FM/AM 950 ESPN.

Entercom offers on the job training, so if you have proven sales experience, we can teach you media sales.

Qualifications: Successful candidates have authentic relationship building skills, don't give up easily, are eager to learn, are curious in nature and are persuasive when selling an idea. Previous sales experience is a plus.

Please have interested candidates visit our web site at <https://entercom.avature.net/careers/JobDetail?id=13211> to apply.

Consistent with our equal opportunity program, we request that you advise us of any candidate, including disabled persons, minorities or women, you believe may be qualified for this position and advise interested parties to apply as indicated.

Entercom Rochester is an Equal Opportunity/Affirmative Action Employer
