Competitive Class Positions

These examinations are either open competitive, that is, open to all applicants meeting the minimum qualifications for the position; or, promotional, for those individuals already serving in a lower position within the same jurisdiction as the existing vacancy.

Provisional appointments may be made to positions in the competitive class if no list of eligible candidates exists. All provisional appointees are subject to passing a competitive examination and be reachable on any list established as a result of such an examination.

OC = Open Competitive - exams open to the public.

PROM = Promotional - exams for current employees.

Finger Lakes Hired, ACCES-VR and Finger Lakes Works! invite you to the 1st Advanced Manufacturing
Recruiting for Careers Fair

Finger Lakes Hired is partnering with ACCES-VR to bring qualified businesses to your doorstep. Each job seeker will be selected by our agencies and is looking for either an Entry-Level, Mid-Level or High-Level Advanced Manufacturing position.

What to Expect

- You will have your own table set up to attract the businesses' attention.
- You will arrange your table in a way that will describe your career in Advanced Manufacturing or a career you are interested in.

What is the Process

As businesses enter the event, they will stop at tables based on the positions they are looking for and the tables that capture their eye. At that time, you will be able to speak with the business to sell your skill set. You will have your own table to set up to highlight your skills and accomplishments in the Advanced Manufacturing industry. When setting up your table, think of a regular job fair and the tables that capture your attention. Incorporate visuals to pull them in, achievements that validate your level of skill and prepare an elevator speech to keep them interested. Recruiting for Careers Fair is a closed event so only a certain number of candidates will be invited. What will you do to stand out from the crowd?

Incentives

Job seekers who attend this event will have the opportunity to speak 1 on 1 with businesses. In an age where applications are done online and the person to person seems to be a thing of the past, Recruiting for Careers Reverse Job Fair will set you up with a different opportunity to apply for positions.

Contacts

Recruiting for Careers Fair is a closed event and the orientation will be mandatory in order to attend. Please contact a Finger Lakes Hired or ACCES-VR Representative to acquire more information:
