

Resources to Build Your Workforce
"It's About Talent - Hiring Workers with Disabilities"

Thursday, April 25th, 2019 – 9:00am – 10:30am
Finger Lakes Workforce Investment Board
41 Lewis Street, Geneva, NY

This presentation will provide an overview of our changing workforce and how to make the work environment accessible for all employees. We will discuss the costs and resources for accommodations and how accessible technology can play a role in the workplace and benefit all employees. There are many benefits to businesses by providing accommodations: increase in employee productivity, retaining valuable employees, diversity of the business, increase of customer base, and eliminates costs associated with training new employees.

About the Presenter:
Jennifer Geiger M.S., C.R.C.
Business Relations Representative
ACCES-VR

This is a partnership with ACCES-VR and the Finger Lakes Workforce Investment Board. The program is provided at no cost. Individuals must register by e-mailing
