Nomination Criteria Categories

To be nominated, an employer or individual must meet one or more of the criteria listed below. Check as many as are applicable and, on a separate page, include statements justifying and describing how the nominee meets each criterion you checked. (Please attach your justifying information to this form, typed and limited to two pages)

Your justification must provide outstanding** [see rubric for examples] efforts made by the employer to hire qualified applicants including details about numbers employed, description of innovations made by the business, types of and/or the high level of commitment demonstrated in providing accommodations and career advancement opportunities provided over time. Describe how this employer has gone above and beyond what is required by law. For an entrepreneur, the nomination should describe the achievements of the individual and the impact on the business community, etc. Regional Award winners will be in competition with other Regional winners in each nomination category for Statewide Awards.

- Interagency involvement including the Regional Employment Alliance (Adult Career and Continuing Education Services-Vocational Rehabilitation, Commission for the Blind, New York State Department of Labor, Empire State Development) and/or other local or regional groups [e.g., Local Workforce Investment Board/One Stops, Job Service Employer Committee, Chamber of Commerce] in initiatives to identify and develop increased employment opportunities for qualified persons with disabilities.
- Special efforts to reasonably accommodate qualified applicants and employees with disabilities.
- Special efforts to attract qualified employees with disabilities through creative and innovative outreach activities.
- Implemented a successful program to provide career opportunities for qualified employees with disabilities, including adults or transitioning youth up to age 24.
- ENTREPRENEURS ONLY. Individuals with a disability who have achieved success in their chosen career field.
