

## Medical Administrative Assistant

### The Medical Administrative Assistant Profession

Medical administrative assistants primarily work in doctor's offices, clinics, outpatient settings, hospitals, and other healthcare settings. Medical administrative assistants, medical secretaries, and medical records clerks are all positions in great demand. The growth and the complexity of the U.S. healthcare system have resulted in a substantial increase in the need for qualified medical administrative assistants. Medical Administrative Assistants are an in-demand occupation throughout our nine-county region. According to the department of labor, the growth rate for these roles is 35% from 2016 to 2026. Median pay is \$34,590 per year.
