Questions

How will proposals be selected for procurement?
For current contractors with Out-of-School Youth contracts, can those MOA's also be used for In-School-Youth Contracts?
Can current contracts submit condensed proposals?

"After reading through the RFP, it appears that ISY youth do not need any other barrier besides low income to be eligible. I know that in previous discussions this was not the case so I would just like to make sure I am reading this properly."

Answers

Proposals with the highest scores per attachment A will be selected for award.

Contacting FOTA for further guidance. Answer from FOTA - Yes, as long as wording isn't OSY specific.
All parts of the Response Format must be included.

Youth are required to be Low Income and have one or more of identifying barriers to employment (listed under ISY, Criteria B) https://www.labor.ny.gov/youth/PDFs/wioa-youth-eligibility.pdf. The eligibility barriers were not included in the RFP in error. FOTA is being contaced for further guidance.
