9:00am-Conference Call

Call In: C. Brown, J. Hale, L. Haust, L. Principio, K. Springmeier
,J. Vrabel, J. Weise, M. Woloson

- **Training updates:** Group discussed customers currently in training, specifically in LPN training. Majority of customers currently in LPN are students from Wayne Finger Lakes BOCES who are continuing training via remote learning with clinical training consisting of case studies. C.N.A. training, HVAC, CDL, and manufacturing training remain on hold. . FLCC cancelled this month's CNA class but the next one will be in June.
- **Dashboard report-**Unemployment rates for March were higher for all Finger Lakes counties by .3% compared to previous month. New York State average and nationwide rates were higher at .5% and .8% respectfully, compared to the previous month of February. Last year's numbers moved lower from February to March where this year the opposite happened. Traffic numbers are incomplete due to Career Center closings. In terms of services and customers, self-service numbers were higher this year by just under 800 people compared to same time last year. Basic services were about the same and individualized services were lower. Training saw more people compared to the same time last year in both classroom training and OJTs. Website traffic was incomplete due to Career Center Closures.
- The group reviewed new policies that will be review by full board later in the program in May. They are:
 - WIOA-14 Individual Employment Training Plan
 - WIOA-16 Follow Up Services
 - WIOA-17 Initial Assessment
 - WIOA-18 Demand Occupation List
