- **Minutes reviewed July 10<sup>h</sup>, 2020** -Motion to approve: J. Lopez, 2<sup>nd</sup> J. Wiese. All in favor: yes.
- **Dashboard report**-Unemployment rates for June continued to have historically high rates for all Finger Lakes counties but were lower than May's highs except for Ontario County which was 1 tenth of a point higher at 10.2%. The rest of the counties rates: Seneca -11%, Wayne @ 9.8% , Yates county at 8.5%. The overall unemployment rate for the 4 county Finger Lakes region is at , . Across the state, the rate sits at 15.6%., higher than the national rate of 11.3%. Front door traffic saw a handful of people system-wide as most meeting are taking place over the phone or virtually.. Website traffic was lower in the last quarter compared to the same time last year.as the centers have been closed to the public. Question was asked about monthly list of UI customers and whether or not the list was inclusive of initial claims. MW will follow up with NYSDOL.
- **No TAA Report**-No state wide call this month due to High volume of Initial UI claims and NYSDOL staff needing to serve those job-seekers. It was mentioned approval for TAA training has been slower then usual probably due to the same reason.
- **Opioid/TET**-23 people have completed Peer Certification. Next training class is August 17. Trainees have 90 days after training start to complete programs.
- **Virtual Workshops and Videos**-FLWIB has a You Tube Channel at <https://www.youtube.com/channel/UCpQZ19qgpgkPyMCxt1nVTpA> Ontario county has submitted Career-Center Intro for Hopewell center featuring L. Haust. She has also submitted a brief overview of Cover Letters and hopes to submit more on different topics.
