The link to the activity definitions can be found at <https://labor.ny.gov/workforcenypartners/osos/l1-service-definitions.pdf>.

The full guide page is located at: <https://labor.ny.gov/workforcenypartners/osos.shtm>.

- As far as the participant group that would come from the four counties, the selection process of the Staffs will still be the filter for successful start and finish

As far as price, because we will be living through this new way of doing things, I was planning on suggesting that I lower the per person cost to \$200 from the \$250 figure until December 31st. It will be a learning time for both sides. Charge / no charge policy when it comes to invoicing will stay the same. Roughly, anyone coming only to day 1 will not be charged; but a manual cost of \$50 will be invoiced. Those continuing for 2 or more days will be invoiced.

Since it will be online, each county could contribute people for each session which could/should be an easier threshold. So, as far as "minimum" numbers. 5 participants will be the minimum.

I will need to distribute a number of manual to each office in order for participants to obtain the workbook prior to the first class.
